Client Testimonials

"Pabrai's Security Brief is thought provoking and a must for all security practitioners who are involved in defining their enterprise information security strategy. It not only brings a very interesting analogy between human body defense strategy and Information security strategy but also gets into the finer details with a comprehensive set of security strategy document templates which can be used straight away."

**Arun K. Singh, General Manager & Head of Enterprise Security Services - Americas
Wipro Technologies**

"For Episource, achieving compliance is an issue of ensuring client trust, and we could not have met our objective without the insight and devoted engagement by Pabrai."

Sishir Reddy, CEO, Episource LLC

"The instruction and the training material were practical. I gained more knowledge in compliance by the way the Instructor delivered the content. My heartfelt thanks to Mr. Ali Pabrai and ecfirst for conducting such a wonderful training program."

**N. Sasikumar,
Episource India Pvt. Ltd.**

"The training was ideal for a consulting firm like us. Mr. Pabrai has a good background of US as well as having roots in India. So he was able to explain it well to the Indian team."

**Faisal Basal,
Bista Solutions Pvt. Ltd.**

"I was planning for HIPAA Training for a long time and got a chance to attend this training program conducted by ecfirst. Now, have this better knowledge in HIPAA. Thanks to Pabrai for conducting training in India."

Arun, Infosys

"The Art of Information Security from Pabrai is an extremely well-re-

searched and exhaustive work covering the vast expanse of considerations that affect organizations in the security arena. The overall effort in compiling this piece is commendable."

**Ganesh Natarajan, Chief Executive
Zensar Technologies, Charter
Member, TiE and Member of
NASSCOM**

"Mr. Pabrai has delivered an excellent program on HIPAA where I could gain maximum knowledge about HIPAA compliance. I thank him for delivering the CHA™ Program and to make the content understandable to me."

Dr. B. Padmalatha, Vision 2K, Inc.

"Pabrai is a very knowledgeable person. Fantastic orator with in-depth knowledge. His expertise is required in India. Once he makes in-roads in the Indian market, he will not have time for the USA or other markets."

**Ashwani Kapoor K.
Genix Biotech Pvt. Ltd.**

"The CHA™ Program is really enriching and will help me get my organization to be more current on HIPAA compliance requirements. Up-to-date information and examples."

**Praveen S.
Transcend India Pvt. Ltd.**

"Working with the biggest healthcare group in India, the CHA™ Program curriculum is going to help standardize the practices globally for our enterprise. The strength of the CHA Program is the coverage of the regulatory standards followed in the USA, which may be applicable to the Indian healthcare industry."
