

INTEGRATED WORKSHOP ON GLOBAL INFORMATION SECURITY COMPLIANCE (HIPAA, HITRUST, GDPR & NIST- CSF)

*SCI EVENT ID 1806-012

www.scigroup.in

About SCI

Star Certification International (SCI) is a global third party focusing on compliance to management standards and models through audits, assessments, analysis, inspections & product testing services for the ICT, Education, Industrial, Food & Hospitality, Healthcare, Logistics, Finance & Banking sectors.

As a third party, we assess organizations against globally accepted standards, models & best practices in order to enable them to identify and align their processes to current and updated levels, and gain success in objectives. Our focus is on taking together the key elements of the organization Environment and integrating it with an enhanced process approach to help achieve organizational goals in terms of quality, safety, reliability and efficiency.

About the Speaker - Mr. Uday Ali Pabrai

Ali Pabrai, MSEE, CISSP (ISSAP, ISSMP), CCSFP, Security+

A highly sought after professional, he has successfully delivered solutions to U.S. government agencies, IT firms, healthcare systems, legal & other organizations worldwide.

Mr. Pabrai is the creator of the world's most successful Internet skills certification, CIW. Mr. Pabrai has also established the industry's first certification program on HIPAA – Certified HIPAA Professional (CHP). He launched the Certified Security Compliance Specialist™ (CSCS™) program. Mr. Pabrai is the co-creator of the Security Certified Program (SCP) – a program approved by the U.S. Department of Defence Directive 8570.1M and one of the industry's most comprehensive hands-on information security certification programs.

He has delivered fast paced, high energy briefings in many cities worldwide including Jeddah, (Saudi Arabia); New Delhi, Bangalore, Chennai and Mumbai (India); Tsukuba City (Japan); Dubai, Abu Dhabi (UAE); Karachi and Lahore (Pakistan); London (UK), and across the United States. Mr. Pabrai's clients include hundreds of hospitals, long-term care facilities, Kaiser, Microsoft, Kemin, Ernst & Young, ElKay, Intuit, Pella, Principal Financial, U.S. Naval Surface Warfare Center, U.S. Defence Intelligence Agency, U.S. Department of Veteran Affairs, as well as numerous federal, state and county governments.

His career was launched with the U.S. Department of Energy's nuclear research facility, Fermi National Accelerator Laboratory, in Chicago. During his career, he has served as Vice-Chairman and in several senior officer positions with NASDAQ-based firms. Mr. Pabrai served on the HITRUST CSF Council (2017). He is a proud member of the U.S. InfraGard (FBI).
