

EXECUTIVE NEXT PRACTICES FORUM

Connect • Collaborate • Innovate

Data Privacy

The Potential Risk to Your Entire Business Platform

May 10, 2019 7:30am-10:30am

Data security and privacy issues will continue to escalate for all business in 2019-2020. This interactive forum lead by CEOs, CTO and CIOs will focus on the strategic to tactical actions every organization must take now not only to be in compliance, but also to protect their digital assets.

Who are we?

The Executive Next Practices Forum is an established organization (over 300 forums since 2008) comprised of C Level and key functional leaders (CEO, COO, CFO, CMO, CIO, HR) who meet to review emerging trends and "first look" innovations in business and leadership strategies.

Co-Host
