Very happy I chose ecfirst for the CCA training

Instructors were wonderful and very knowledgeable

The material was very well organized

I appreciated all the study reference material

**I am very happy that
I chose ecfirst**

“The instructors Mike Turpin and Lorna Waggoner were wonderful, very knowledgeable in all CMMC domains and kept the class very engaged. The material was *very well organized* and during the class the instructor *elaborated with assessment scenarios* that supported the understanding of the CMMC material covered. I appreciated all the *study reference material* provided and practice quiz questions. *Learned greatly* from discussions on real assessment scenarios. I appreciated the *collaboration and quick responses* from all ecfirst Team members. I didn't have any issues at all during the course. I look forward to future trainings and opportunities to collaborate on assessments with your CCAs. I am very happy that I chose ecfirst to take my CCA course. The schedule you presented for class offerings was key for me choosing ecfirst and the transparency about the course cost, content and expectations was very helpful. Overall rating of the CCA Training Program: 9. Overall rating of the Instructor: 10.”

“Keep doing what you do. ecfirst rocks, always awesome to see. *Awesome experience with the ecfirst CCA class*. Can't imagine CCA class being better, The experience of the entire ecfirst team is very reassuring and the openness and honesty is also terrific. Again just a great team you have here. Overall rating of the CCA Training Program: 9. Overall rating of the Instructor: 10.”

The CCA Academy
Portal is a fantastic bonus

We could not ask more for the CCA class

The CCA Portal must have taken a lot of work to build

Instructor "hands-on" experience,
knowledge and great sense of humor

Look forward to having other on my Team go through your CCA class
